PREMIUM FINISHES FOR PREMIUM FILE CABINETS.

FireKing® proudly introduces new Premium Finishes for our Lateral and Vertical fireproof file cabinets. With 4 “custom collection” finishes and 5 wood-look finishes to choose from, you can now get unmatched records protection that actually matches your décor.

Created to complement contemporary office design sensibilities, these finishes are durable, maintenance free, and environmentally friendly. The file cabinets underneath are pure FireKing – shipping with every feature you need to protect your vital records along with a limited lifetime warranty.

Premium Finishes are priced slightly higher and have a longer lead time. Check with your FireKing representative for details.
